**Notes**

1. A foreign national applying for an Entrepreneur Visa must have completed senior high school level or the equivalent thereof.
2. If you apply for an extension, you do not need to fill in the column on educational level.
3. A group may not exceed three members, and all members shall conform to the same application category. If the members are eligible for different application categories, a letter of intent (LOI) must be submitted.
4. For other documents that need to be submitted for an Entrepreneur Visa application, please refer to the Appendix of the Examination Directions of Entrepreneur Visa Qualification for Foreign Nationals.
5. Please select one or more categories listed below by filling in the corresponding number(s).

**Initial application categories**

- 1.1 The applicant has secured investment from a domestic or overseas venture capital company, or obtained funding of at least NT\$2 million from a government-approved international fundraising platform.
- 1.2 The applicant has received approval to operate at a government-designated innovation park, or in an incubator facility that is either directly run by the Ministry of Economic Affairs (MOEA), operated in collaboration with the MOEA, or has been rated by the MOEA as a first-class incubator facility within the past three years.
- 1.3 The applicant has been awarded patents either in Taiwan or overseas.
- 1.4 The applicant has won an award in a leading domestic or overseas business startup or design competition, or has received approval to participate in a government project to encourage overseas entrepreneurs to invest in Taiwan.
- 1.5.1 The applicant has established an enterprise that has been lawfully registered in Taiwan for less than five years, served as its legal representative, and invested a total of at least NT\$1 million in it. In addition, the enterprise has obtained funding of at least NT\$2 million from a domestic or overseas venture capital company.

- 1.5.2 The applicant has established an enterprise that has been lawfully registered in Taiwan for less than five years, served as its legal representative, and invested a total of at least NT\$1 million in it. In addition, the enterprise has been listed on the Go Incubation Board for Startup and Acceleration Firms (GISA) of the Taipei Exchange (TPEX).
- 1.5.3 The applicant has established an enterprise that has been lawfully registered in Taiwan for less than five years, served as its legal representative, and invested a total of at least NT\$1 million in it. In addition, the enterprise has either been awarded an invention patent in Taiwan or been the recipient of patent rights transferred or licensed by a Taiwanese invention patentee, as registered with the Intellectual Property Office of the MOEA.
- 1.5.4 The applicant has established an enterprise that has been lawfully registered in Taiwan for less than five years, served as its legal representative, and invested a total of at least NT\$1 million in it. In addition, the enterprise has operated at an innovation park designated by the Executive Yuan, or an incubator facility that is either directly run by the MOEA, operated in collaboration with the MOEA, or has been rated by the MOEA as a first-class incubator facility within the past three years.
- 1.5.5 The applicant has established an enterprise that has been lawfully registered in Taiwan for less than five years, served as its legal representative, and invested a total of at least NT\$1 million in it. In addition, the enterprise or its legal representative has won an award in a leading domestic or overseas business startup or design competition.
- 2.1 The applicant group has not yet established an enterprise in Taiwan, but has secured investment from a domestic or overseas venture capital company, or obtained funding of at least NT\$2 million from a government-designated international fundraising platform.
- 2.2 The applicant group has not yet established an enterprise in Taiwan, but has received approval to operate at a government-designated innovation park or at an incubator facility that is either directly run by the MOEA, operated in collaboration with the MOEA, or has been rated by the MOEA as a first-class incubator facility within the past three years.
- 2.3 The applicant group has not yet established an enterprise in Taiwan, but has been awarded patents either in Taiwan or overseas.
- 2.4 The applicant group has not yet established an enterprise in Taiwan, but has won an award in a leading domestic or overseas business startup or design competition, or has received approval to participate in a government project to encourage overseas entrepreneurs to invest in Taiwan.
- 3.1 The applicant group has established an enterprise that has been lawfully registered in Taiwan for less than five years. Members of the group have served as legal representatives, managers, or superiors at the enterprise, and invested a total of at least NT\$1 million in it. In addition, the enterprise has obtained funding of at least NT\$2 million from a domestic or overseas venture capital company.
- 3.2 The applicant group has established an enterprise that has been lawfully registered in Taiwan for less than five years. Members of the group have served as legal representatives, managers, or superiors at the enterprise, and invested a total of at least NT\$1 million in it. In addition, the enterprise has been listed on the Go Incubation Board for Startup and Acceleration Firms (GISA) of the Taipei Exchange (TPEX).
- 3.3 The applicant group has established an enterprise that has been lawfully registered in Taiwan for less than five years. Members of the group have served as legal representatives, managers, or superiors at the enterprise, and invested a total of at least NT\$1 million in it. In addition, the enterprise has either been awarded an invention patent in Taiwan or been the recipient of patent rights transferred or licensed by a Taiwanese invention patentee, as registered with the Intellectual Property Office of the MOEA.
- 3.4 The applicant group has established an enterprise that has been lawfully registered in Taiwan for less than five years. Members of the group have served as legal representatives, managers, or superiors at the enterprise, and invested a total of at least NT\$1 million in it. In addition, the enterprise has operated at an innovation park designated by the Executive Yuan or an incubator

facility that is either directly run by the MOEA, operated in collaboration with the MOEA, or has been rated by the MOEA as a first-class incubator facility within the past three years.

- 3.5** The applicant group has established an enterprise that has been lawfully registered in Taiwan for less than five years. Members of the group have served as legal representatives, managers, or superiors at the enterprise, and invested a total of at least NT\$1 million in it. In addition, the enterprise or its legal representative has won an award in a leading domestic or overseas business startup or design competition.

**Extension categories**

- 4.1** The revenue of the enterprise of the applicant (group) for the most recent year, or the average annual revenue for the most recent three years, is at least NT\$3 million.
- 4.2** The operating costs of the enterprise of the applicant (group) for the most recent year, or the average annual operating costs for the most recent three years, is at least NT\$1 million.
- 4.3** The enterprise of the applicant (group) employs at least three ROC nationals in full-time positions.
- 4.4** The enterprise of the applicant (group) can demonstrate some other category of operational performance that leads the competent authority to determine that the enterprise is making a positive contribution to Taiwan's economic development.
