Taipei Invention Award

【Judging Process】

First round:

On-site demonstration : Jury examines products, posters, and other related establishments of previous awards or patents as evidence during the show.

Final round: After the first-round, all entries will be inspected again by the jury committee. The jury committee will select the products in each competing category as the prize winners.

【Judging Criteria】

1. Innovation and Creativity: Product is innovative, creative or breakthrough.
2. Market performance: Marketing tactics and distribution; meet practical market demands.
3. Function and Practicability: User-friendly, Eco-friendly and compatible with various systems.
4. Design: Product characteristics, concept of design, catchy trend, creativity, fashion and color, and ergonomic focuses.

【Award Details】

1. Awards Ceremony will be held on October 15, 2022. (Details to be announced)
2. One award certificate and trophy for each winning invention.
3. A list of all winning products will be published in TAIWAN INNOTECH EXPO 2022 publications, such as the official website.
4. Platinum, Gold, Silver, and Bronze Prize awarded based on creativity and potential to contribute to industry development.

【Awards】

TAIWAN INNOTECH EXPO Platinum Prize (one from each category):

1. Inventions that got the highest score in each category will receive the TAIWAN INNOTECH EXPO Platinum Prize.
2. The prize will be presented by the Director-General of the Taiwan Intellectual Property Office on stage.

Participation Information

【Eligibility】

1. Except for embargoed/sanctioned countries/regions, all are eligible to participate in the exhibition. Please either register directly or through agencies or branch offices in Taiwan.
2. Exhibits should meet one of the requirements:
 - A. Exhibits have been granted a valid patent (from July 1, 2018-June, 30, 2022)
 - B. Exhibits have been filing a provisional patent application and received a Patent Pending Number issued by their Intellectual Property Offices.
 - C. Exhibits have been approved by their Intellectual Property Offices but have not yet obtained patent rights.
3. Domestic exhibitors exhibiting foreign works must submit the authorization or agency contract of the patent owners, as well as a copy of the certificate of patent right or a copy of the patent application.

* **Past Taipei Invention Award winners cannot re-register the same product(s) for the competition.**

【Required Documents and Regulations】

1. Please fill in and return the following documents by e-mail to book exhibition space:

Inventor group

- 1 copy of the Application Forms (Form 1, 2, 3) and product photos.

(Only the group leaders are required to fill out Form 1; companies or group members are only required to fill out Form 2&3)

Individual exhibitors

- 1 copy of the Application Forms (Form 2, 3) and product photos.

2. Deadline for Application: Ends on July 30, 2022, or until booths are fully booked.
3. Applicants must secure their participation by remitting full payment **before** the deadline. Otherwise, the application will be nullified.
4. **Booth allocation priorities:**
 - (1) Number of booth(s) applied. In cases where the numbers of booths are the same, the exhibitor who handed in all application forms earlier gets to choose first.
 - (2) Full payment received and confirmed by the Organizer.
 - (3) Date of application received and deemed completed by the Organizer.
5. **Maximum of 3 inventions per booth.**
6. After booth allocation, each applicant will be notified of their booth number and receive the Exhibition Manual via e-mail.

7. The Organizer reserves the right to determine exhibition eligibility of participants and the products to be displayed, and reserves the right to determine the number and location of booth(s) for each exhibitor.
8. The Organizer does not accept any responsibility for obtaining visas for exhibitors to travel to Taiwan. Exhibitors are responsible for obtaining their own visas in advance of the expo. For R.O.C. (Taiwan) entry visa application information, please refer to <https://www.boca.gov.tw/mp-2.html>
9. For safety reasons, the use of gas stoves or other fire-producing equipment is prohibited. Only electrical appliances are allowed to be used in the show venues.
10. Please note that there might be pipes or electric wires transiting through your booth.
11. The Organizers reserve the right to adjust the aforesaid Regulations without notice.
