Tzu Chi University welcomes you to apply for our Fall 2021 programs, and the application deadline is April 30, 2021. Tzu Chi University was founded in 1994. Currently, we have 284 international students.

Tzu Chi University was 67th in Times Higher Education University Impact Rankings 2019 and first place in Taiwan. We plan to gradually become a global volunteer university, by starting from providing interdisciplinary programs in the International College, and collaborating with global partners. We have worked with renowned universities in Europe and the United States to offer dual degree programs.

We would like to see Turkish students shining globally, and they may choose to join us first. After completing their studies, they will have many career choices, and no matter what they choose to do, they will exercise their skills, knowledge and humanism to make a continuous contribution to humanity.

For application details, please access "[International Students Admissions](#)" and "[Application Guidelines](#)".

Tzu Chi University offers a wide range of undergraduate, master's, and Ph.D. programs, to international students, through four colleges, namely the College of Medicine, College of Education and Communication, College of Humanities and Social Sciences, and International College, as well as our departments/institutes/centers.
